RESOLUTION

Expressing the sense of the Senate that reform of our Nation's health care system should include the establishment of a federally backed insurance pool.

Whereas in the presence of a federally backed insurance pool, those Americans who have become unemployed, live in rural and other traditionally underserved areas, or have been unable to attain affordable health insurance would benefit from consumer choice: Now, therefore, be it

- 1 *Resolved*, That the Senate recognizes that any efforts
- 2 to reform our Nation's health care system should include

- 1 as an option the establishment of a federally backed insur-
- 2 ance pool to create options for American consumers.
